Group Discussion Questions

(Read the passage together as a group before discussing the questions)

1. The Apostle Paul gives a list of 15 deeds of the flesh. Even though this is not an exhaustive list, what are some things that we can learn about the flesh from this list?
2. There is an obvious contrast between the deeds of the flesh and the fruit of the Spirit. Why do you think Paul uses these different words (deeds & fruit) to describe the two lists? Do you believe this is significant?
3. What is the difference between an occasional lapse into fleshly behavior and a habitual practice of such things? What does habitual (unrepentant) behavior reveal about a person's spiritual condition?
4. What in this passage challenges you in your walk with Christ and relationships with others?
5. What stood out to you from the text or message that you would like to explore further? What will you do to apply this message this week?
