**Group Discussion Questions**

(Read the passage together as a group before discussing the questions)

1. How has God been faithful to provide for you? Do you agree with the statement by Hudson Taylor which is "When God's work is done in God's way for God's glory, it will not lack for God's supply"?
  
2. Look at the verses mentioned in the message (2 Cor. 9:6-8; Luke 6:38; Malachi 3:10; Prov. 3:9-10; 11:25), based upon these verses do you believe that God will take care of those who honor Him with their finances? What might be a reason that many struggle to give?
  
3. How does Paul's message in this verse different from the "health & wealth gospel" promoters today? What is a key difference?
  
4. What stood out to you from the text or message that you would like to explore further? What will you do to apply this message this week?
  
5. What is your greatest need right now? Pray for each other in the group that each one will have the confidence in the Lord to trust Him to provide all that they need.
